### Experience and Skills Executive:

A senior finance professional with over 25 years of private industry experience. A Certified Public Accountant with Price Waterhouse & Co. and has been a Chief Financial Officer for both privately held and publicly traded companies. Successful in the fields of financial reorganizations, bankruptcies, recapitalizations, negotiating credit facilities, public debt registrations, equity registrations, private equity placements and mergers and acquisitions. Expert witness in federal Bankruptcy court and California Superior Court. He specializes in business valuations and litigation support services. Mr. Laversin is a certified instructor for the Institute of Business Appraisers, having lectured on numerous business valuation related topics.

Has completed and been awarded the Certificate of Educational Achievement (CEA) issued by the AICPA for Business Valuation. Successfully combined his practical deal experience with the professional standards and structure of business appraisal to successfully assist and completed over 85 appraisal assignments associated with such matters as litigation and litigation support, dissolution, estate and tax planning, capital formation, mergers and acquisitions.
